No not yet. but I don't think they are one in the same.

We can only say we're following up on Drinking Water Issues in the Utah area of the Navajo Nation.

We will make contact with Navajo epa.

Yes – I'll follow up. I have not heard that. Halchita (on the Navajo) has requested a water trailer from BLM because they are short on water for other reasons (line breaks). They do use the San Juan River for DW.

Should I report the answer back to you?

Hi all,

I heard at the end of the call that there are 2 utah communities without water.

These two folks asked to be invited to the 2pm call. Are we aware? We need to be prepared to discuss for the 2pm call.
